

Nissan Navara D40

# MOUNTAIN TOP CHEQUERPLATE TONNEAU COVERS

Nissan Navara D40 Mountain Top Chequer Plate Tonneau Bed Cover. Class Leading Quality, Design & Ease of Installation set Mountain Top Aluminium Pickup Tonneau Covers in a Class of there own. Suppliers of Chequer Plate Tonneau Covers to Car makers for the Toyota Hilux, Nissan Navara D40, Isuzu Rodeo, Mitsubishi L200 & the Ford Ranger. Durable & Hard Working the Mountain Top is Rugged and is Capable of carrying an 80kg load. The Top can also be used as a working Platform. Fitted as standard with polished twin sport rails, twin point locking system, an internal safety release catch and high quality weatherproof neoprene rubber seals.

Optional X-bars allow for loads to be carried upto 80kgs. The X-bars are clamp on and easily removed, another reason to choose a Mountain Top tonneau for your pickup truck.

Discreet turn lock ensures goods remain safely locked away. Twin internal locks prevent the Mountain Top Chequer Plate Tonneau Cover being forced open.

Mountain Top's Internal safety release handle included. In the event a child should be trapped inside.

Mountain Top's Robust hinge system allows maintenance free operation and ease of removal. Simply lift the Mountain Top vertical and it's easily removed.

Mountain Top's extended alloy side rails with high polish finish and injection moulded mounts add a practical finishing touch. The five bar tread plate is durable & robust.

Mountain Top's Low profile alloy fitting clamps secure the rear locks for non-drill fitting. Installation is simple & removal even easier. Typical installation is one hour.

Mountain Top's ease of removal. Remove the strut arms, and once unlocked the cover can be removed in under 2 minutes with ease, Mountain Top's unique patented design.
