HIGH PERFORMANCE LIGHTING

1000 STANDARD PLUS POSITION LIGHTS

See, and be seen, with the Triple-R 1000 Standard with integrated Position Lights. Recognised as being amongst the most powerful road legal driving lights available, the Triple-R 1000 has been given a safety and styling upgrade thanks to the addition of integrated Position Lights which activate with your vehicle's standard side lights. Fully road legal both as a Driving (E11 Ref 30) and Position Light, the Triple-R 1000 with Position Light adopts the same class leading LED and component technology, combined with innovative design features, that has established the Triple-R range of auxiliary lights as the must have vehicle accessory.

TRIPLE-R

*Drive current for the LEDs is maintained at the optimum level considering environmental and thermal conditions of the lamp
