- TUV Approved

SKU CODE:  
X-CLASSDCPROTOPLOWTRADEG#

A cab height commercial canopy with integrated roof rail system which can carry loads up to 100kgs in capacity. Stainless steel hardware is used throughout including locks, hinges and strikes.

## MERCEDES BENZ X-CLASS ROLL N LOCK TRUCK TOP

The Roll-N-Lock roller shutter lid locks to the truck bed for added security. Roll-N-Lock retracts all the way to the truck cab giving you total access to the truck bed and has three pre-set opening positions. Security is assured using twin locking points that prevent the truck's tailgate from being opened when the roll top is locked, providing class leading security.

### FEATURES OF THE ROLL N LOCK CANOPY:

- Built-in tailgate lock system
- Seamless exterior finish
- Torsion spring equipped
- Recessed drain fittings
- Stainless steel hinges
- Unique Construction
- Fully weatherproof
- Three pre-set rest positions

SKU CODE:

UNDER RAIL LOAD BED LINER

Proform bedliners are manufactured from a highly durable, chemical resistant and UV stable Polyethylene type plastic. The Bed liners are designed to handle the toughest conditions and protect your pickup truck bed from impacts, scratching & spills in all environments. This load bed liner comes with a life-time warranty.

## Key Features & Benefits

- Non Drill Allows for complete access to factory fitted tie-downs
- Highly durable, chemical and UV resistant
- Heavy-Duty to prevent load bed damage
- Tailored fit, vehicle specific

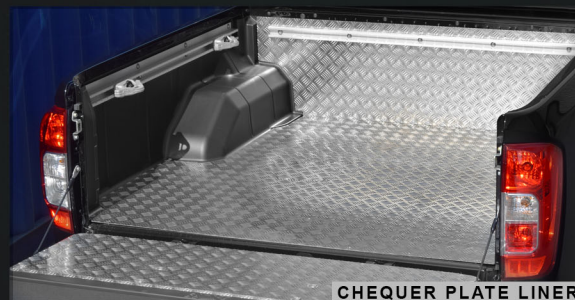

X-CLASSDCLINUNWTHC#

BEDRUG CARPET LINER

Bedrug is a great alternative to the basic hard plastic bed liner offering a more luxurious look and feel while retaining the same protective properties as a rigid plastic liner. Bedrug has an anti-skid surface which prevents cargo from sliding around in the boot.

X-CLASSBEDRUG#

CHEQUER PLATE LINER

Easily fitted within an hour the chequer plate load bed will work with your C-Channel load system

- Compatible with truck top canopies
- Alloy tailgate board & ABS side sections
- Alloy chequer plate finish

## X-Class Sports Roll Bar - Stainless Steel / Black

The roll bar is made from a high quality 3" stainless steel tubing and finished in black. It consists of a single hoop behind the vehicle cab and from this single hoop two stays come back towards the middle of the bed.

Also embedded into the bar is a high-level brake lamp. You can mount spot lamps to this bar but 3" light brackets will be required.

### Please Note:

This bar will not fit as a stand-alone bar out of the box and requires additional fixings to mount to a vehicle or must be fitted in combination with specific tonneau covers. This bar will work with the Roll N Lock combined with the Quick-foot kit. When combined with the Quick-foot kit this bar can become a stand-alone roll bar.

X-CLASSROLLOEBL#

# MERCEDES BENZ X-CLASS ACCESSORIES

## X-Class Sports Roll Bar - Stainless Steel / Black

These Mach side bars are practical and stylish giving you easier access to the vehicle. Made from a high quality stainless steel tubing that can be either finished in stainless steel or powder coated in black, these steps also have a high grip step insert for a secure footing.

### Key Features & Benefits

- Made from high quality stainless steel
- Available in stainless steel or powder coated black
- Easy to fit does not take lots of time
- Comes with non-slip tread plates for safety
- Unique as it is designed specifically for the X-Class
- Side bars promote safe easy access to cab

# MERCEDES BENZ X-CLASS ACCESSORIES

## Mach Spoiler Bar 76mm - Stainless Steel / Black

The most common cause of bumper damage happens in a car park. Whether you go too far and scrape your bumper on the curb or wall, or someone else reverses too far and scrapes into you, with a bumper protector on your 4x4 you will not have to worry. Manufactured from 2.5inch diameter grade T-304 stainless steel.

### Key Features & Benefits

- Made from high quality stainless steel
- Available in stainless steel or powder coated black
- Easy to fit does not take lots of time
- Comes complete with fitting kit and fitting instructions
- Subtle X-Class styling
- None drill fit
