ELECTRIC  
AND MANUAL  
ROLL COVER

 **MOUNTAIN TOP**®

## **INTRODUCING THE EVO ROLL COVER SERIES**

Meet the next phase of evolution: the all new Mountain Top EVO Roll Cover. Re-engineered from the ground up, and with several patents to its name, EVO is tougher, smarter and safer than any other roll cover on the market.

New design, more secure, faster installation, easier maintenance, and improved water management are just some of the highlights of the all-new EVO series.

**RE-ENGINEERED**

**RE-DESIGNED**

**RE-IMAGINED**

**REBORN**

EVO comes in two models:

**EVO<sub>e</sub>**

Electric Roll Cover

**EVO<sub>m</sub>**

Manual Roll Cover

# ADVANCED TECHNOLOGY

EXCLUSIVE TO THE **EVOe**

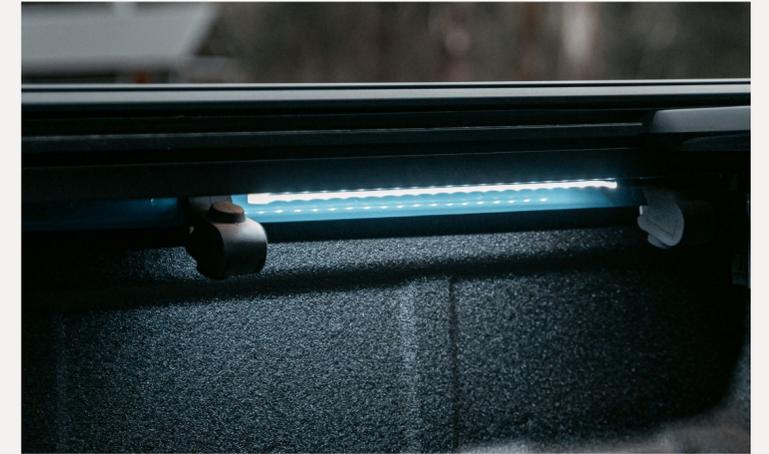

## KEY FOB REMOTE

The EVOe key fob lets you open and close the roll cover remotely.

## BELT-DRIVE

Eliminates hard stops with two speeds, smooth operation and a dedicated soft-close mechanism.

## AUTOMATIC LED LIGHT

LED light gradually brightens when you open the cover, and switches off when you close it.

## EMERGENCY STOP & REVERSE

When EVOe meets resistance, the cover will stop automatically and start reversing.

## ONE-CLICK AUTO CALIBRATION

EVOe comes with auto calibration. Just press and hold for accurate start and stop positions.

**DESIGN**

# A THING OF BEAUTY

## **SLEEK AND SPORTY**

EVO has a clean, infinity design to match the lines of modern pickups.

## **FORM MEETS FUNCTION**

EVO offers design, functionality and quality in one single product.

## **SMOOTH FINISH**

Made from solid aluminium with an OE-grade powder coat finish.

## **INFINITY DESIGN**

There is no back edge or exterior handle. Nothing to clutter your truck bed.

**READY TO ROLL**

MT-EVO

## **STEPLESS AUTO LOCKING\***

Using your EVOe key fob, you can stop the roll cover anywhere you want. Every time the cover stops, it locks automatically.

\* Only available on **EVOe**

## **KNIFE-PROOF, INTERLOCKING ALUMINIUM SLATS**

EVO's unique hinge design and aluminium slats are 100% knife proof.

SECURITY

# **MAXIMUM PROTECTION**

## **NO EXTERNAL HANDLE**

With no external handle or keylock, unauthorised access to the bed is made a lot harder.

PRACTICALITY

## MORE CARGO SPACE

### INCREASED VERTICAL CLEARANCE

EVO sits above your truck bed, so there's more height under the cover.

### SMALL CANISTER

A minimized canister size helps maximise storage space and shrink EVOm's footprint.

## WATER MANAGEMENT

# BRAVE THE ELEMENTS

The Mountain Top EVO was engineered in Denmark and field-tested in Australia to withstand the toughest, roughest, wettest conditions.

Whether you're trucking through snow, ice, wind, rain, sun or sand, EVO will keep your tools and toys safe.

With new drainage systems and cutting-edge water management, this is the most weather-resistant roll cover on the market.

### 6-POINT WATER MANAGEMENT SYSTEM

EVO comes with six points of drainage through the side rails, canister and rear profile. You're protected on all fronts.

### CLEVER WATER MANAGEMENT

The 6-point water management system helps defend against the elements.

### HIGH CAPACITY DRAINAGE

Driving through a downpour? No problem. The EVO roll cover can drain up to 40 litres of water per minute.

A man and a woman are sitting on the tailgate of an orange pickup truck. The man is on the left, wearing a grey beanie, sunglasses, and a dark puffer jacket over a plaid shirt. The woman is on the right, wearing a grey beanie and a dark puffer jacket. They are both smiling and looking at each other. The truck is parked on a grassy hillside with mountains in the background. The truck's tailgate is open, and a blue cooler is visible in the bed. The text "INTO THE WILD" is overlaid in the center of the image. The truck has "4x4" written on the side.

## ACCESSORIES

# YOUR EVO, YOUR WAY

EVO is made to be accessorised. Sports bars. Adventure racks. Cargo carriers. Whatever you need.

With built-in accessory tracks and our unique ClickTech system, all you have to do is swap, click and drive. No drilling necessary.

### MAXIMIZE YOUR CARGO SPACE

Boost your storage above the roll cover. EVO can carry bikes, tents and all your off-road gear.

### BUILT-IN ACCESSORY TRACKS

With built-in accessory tracks in the side rails, installing adventure racks or cargo carriers is quick and easy.

### UNIQUE CLICKTECH SYSTEM

With ClickTech, all you have to do is click and pull to remove the corner caps. Swap in, swap out, keep driving.

### BED MANAGEMENT

Divide your truck bed into smaller areas with our bed management system. It's tough, quick and customizable.

### KEEP YOUR OE SPORTS BAR

With a Mountain Top Sports Bar Adapter Kit your EVO is compatible with all major brands and models.

QUALITY

## **BUILT TO LAST**

### **STRONG & LIGHTWEIGHT ALUMINIUM**

EVO is made from top-grade, powder coated aluminium. It's a durable cover that'll serve you and your truck for years.

### **OE-GRADE POWDER COATING**

The textured, powder coat finish is hard-wearing, UV resistant and doesn't discolour over time.

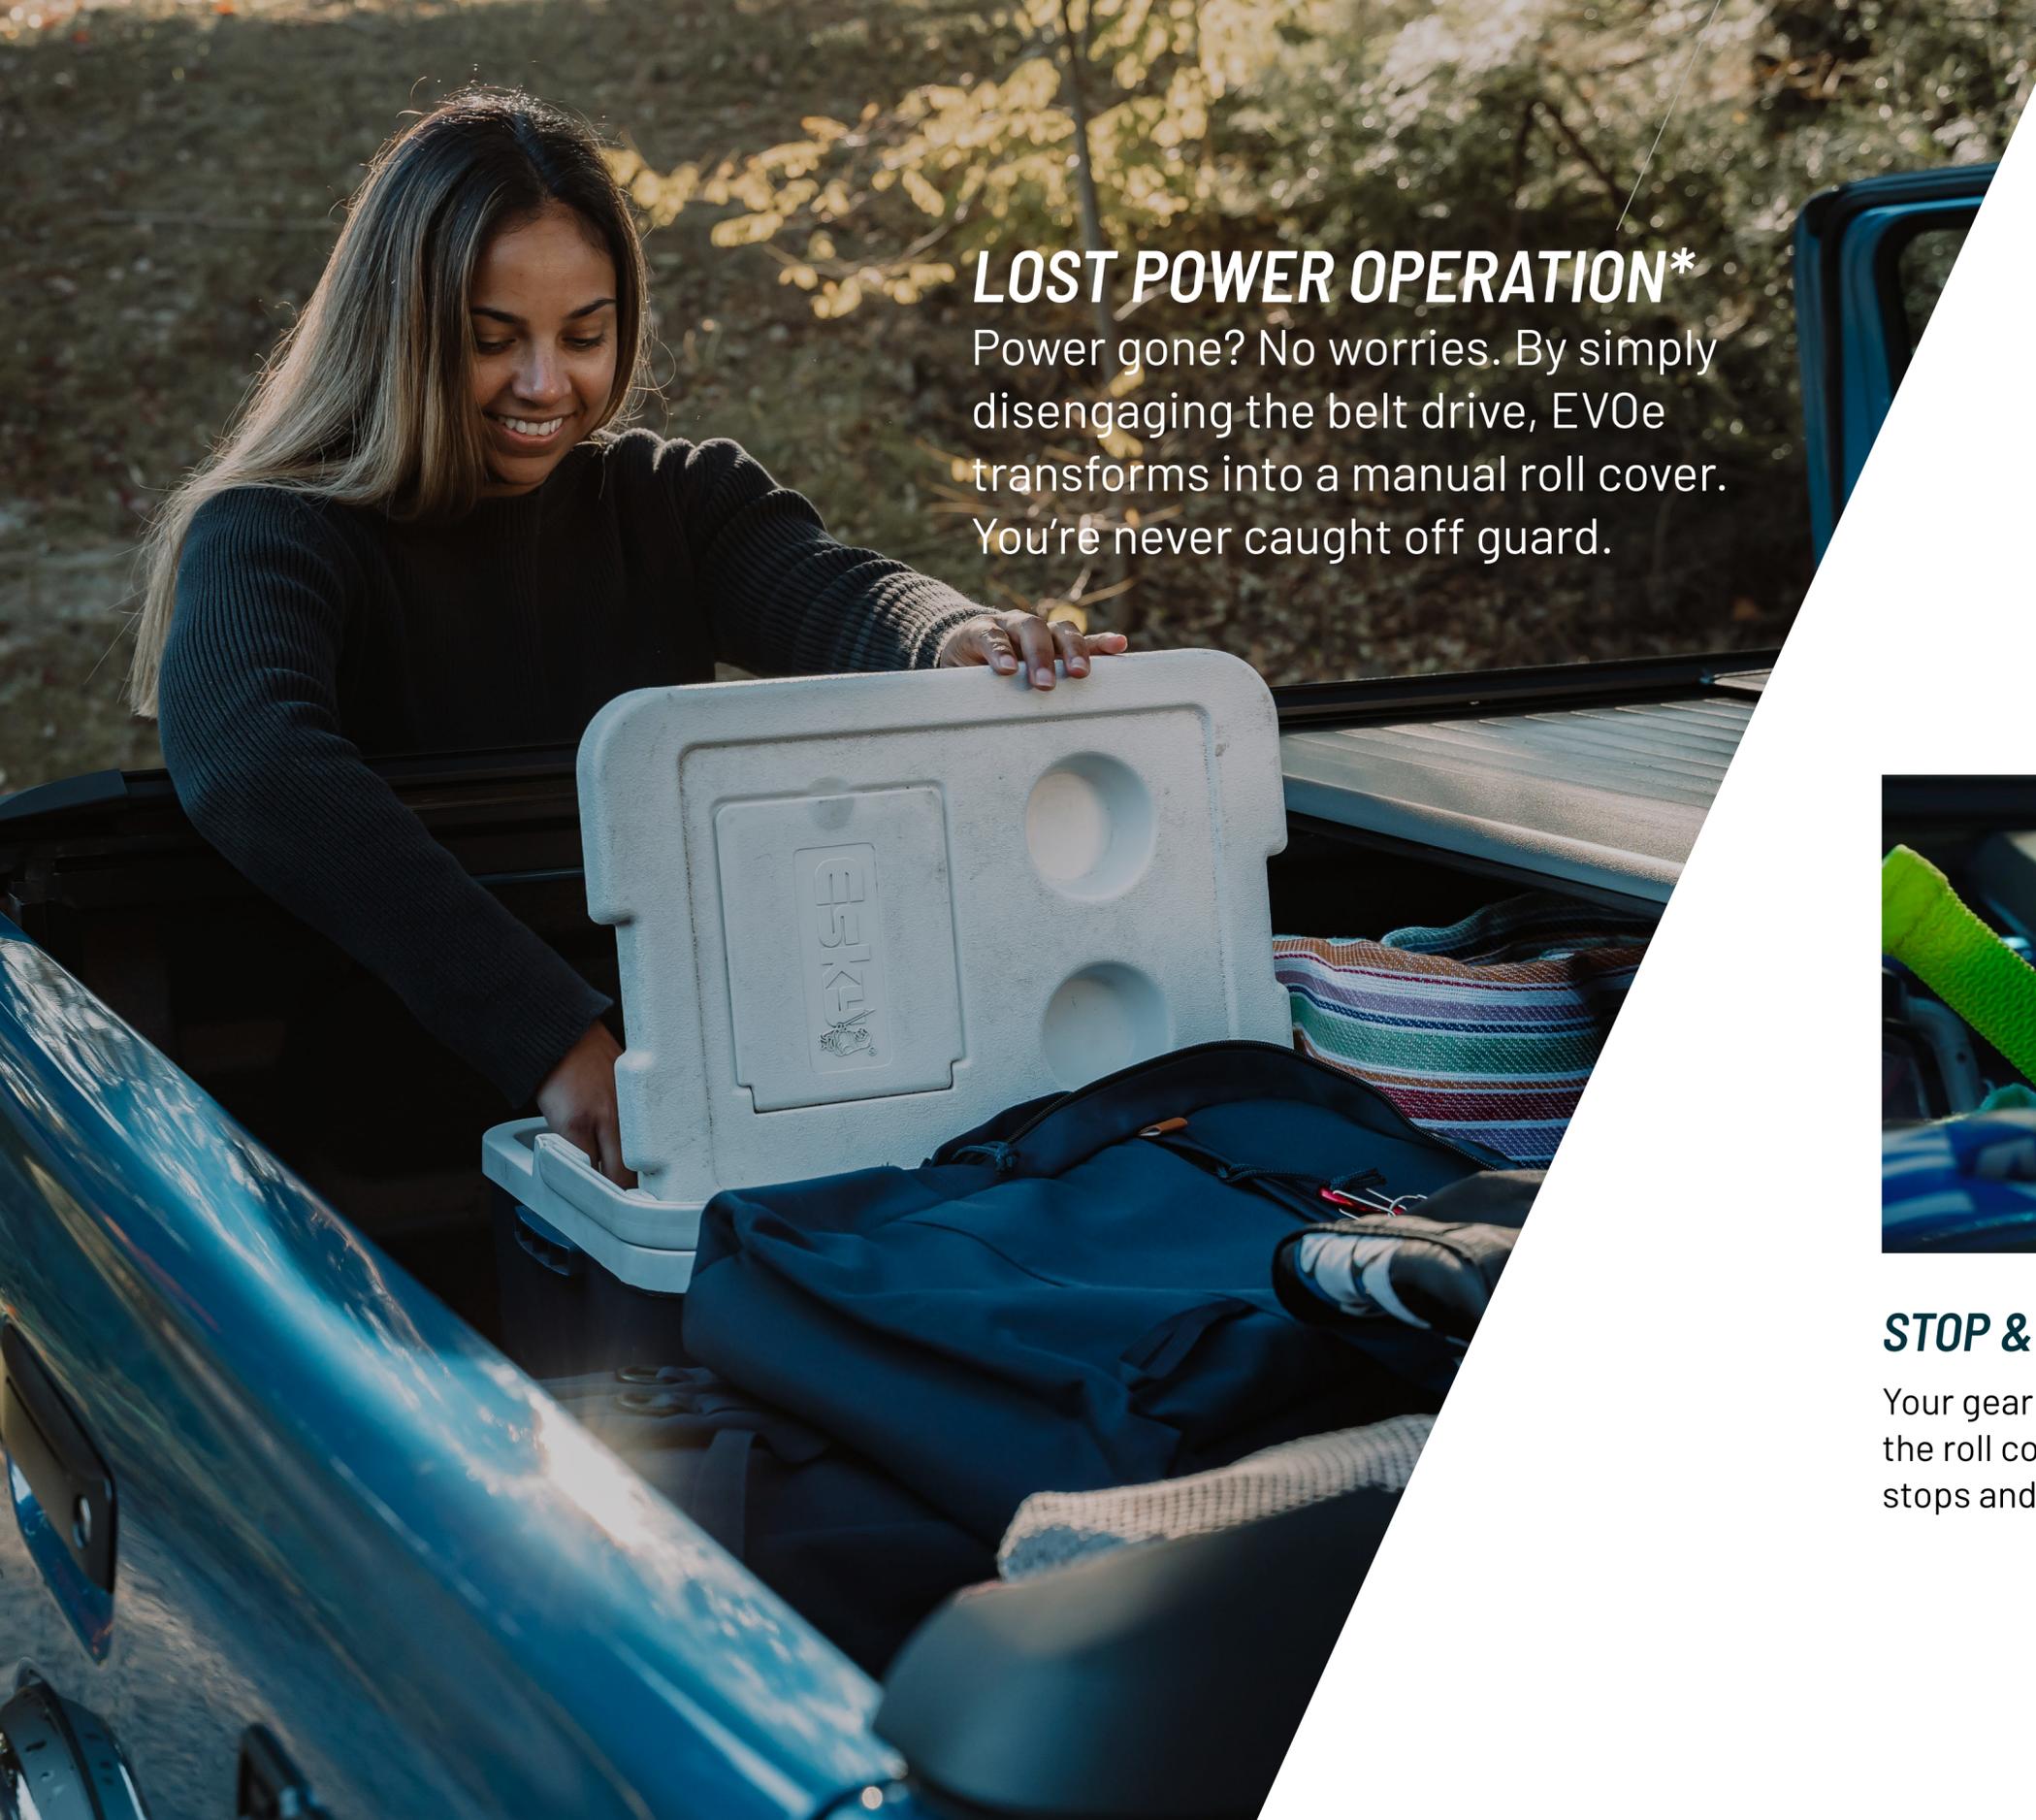

### **DURABILITY-TESTED**

Our engineers field-tested EVO in the toughest conditions on the planet. It will provide years and years of daily use.

## **BEST-IN-CLASS WEIGHT**

Thanks to clever design and precision engineering, we've been able to cut down EVO's weight. That means easier handling and less wear on your truck.

## **LOST POWER OPERATION\***

Power gone? No worries. By simply disengaging the belt drive, EVOe transforms into a manual roll cover. You're never caught off guard.

## **ADVANCED SAFETY**

### **STOP & REVERSE\***

Your gear is safe with EVOe. When the roll cover meets resistance, it stops and reverses automatically.

### **EMERGENCY EXIT**

EVO comes with a handy emergency exit. All you have to do is pull the release handle inside the cargo area.

\* Only available on **EVOe**

**IT JUST WORKS**

# INSTALLATION

## QUICK & EASY INSTALLATION

You don't need a mechanical engineering degree to install EVO.

With our unique clamping system, any fitter can perform the entire installation in under an hour.

All you need are some basic tools.

A family of four is enjoying a fishing trip. They are sitting on the tailgate of a blue Ford Raptor pickup truck, which is parked on a rocky bank next to a stream. The father is on the left, holding a fishing rod. A young girl is in the middle, also holding a fishing rod. A young boy is on the right, looking towards the water. The truck has 'RAPTOR' written on its side. The background is a lush, wooded area with sunlight filtering through the trees. The text 'FOR EVERY ADVENTURE' is overlaid in large, white, bold letters across the center of the image.
