The stylish chequer plate top makes an excellent work surface, it is totally secure for storing tools by locking to the tailgate of the vehicle and the chequer plate can be removed quickly if required.

SOFT ROLL-UP LOAD BED COVER

- Specific for the 2016 Navara NP300 D/Cab
- Ultra-taught load bed cover
- Clamp fitting side rails
- Roll up when an open bed is needed

Easily deployed in less than 1-minute this is a relatively low cost load bed cover to keep your loads dry and out of sight. A reinforced vinyl provides durability and an ultra-taught appearance.

ROLL 'N' LOCK (AVAILABLE WITH ROLL BAR)

- Class leading quality
- Class leading security
- Three pre-set rest positions
- Weatherproof

- Seamless exterior finish
- 3 Year Warranty
- Easy fit with pictorial instruction guide
- Optional styling bar roll bar available

Secure your loads with the Roll 'N' Lock roller shutter truck bed cover, which locks to the truck bed for added security. Roll and Lock retracts all the way to the truck cab giving you total access to the truck bed and has three pre-set opening positions. This brand is recognised as one of the most secure covers available on the market.

BED ACCESSORIES

UNDER RAIL BED LINER

- Made to fit the NP300 with C-Channels
- Manufactured from tough polythene plastic
- Designed to last - Life-time Warranty
- Supplied with full fitting kit & tailgate section

These 'under-rail' NP300 pick-up liner is ideally suited where a tonneau cover, roller top or truck top is fitted to the truck bed. It protects the base of the bed from dents, scratches and liquid spills.

BEDRUG LINER

- BedRug is the ultimate load bed liner
- Durable anti-slip finish
- Anti-slip finish
- Tailored for the NP300 Double Cab
- Ultra-thick base will not hold water
- Eliminates the tailgate gap

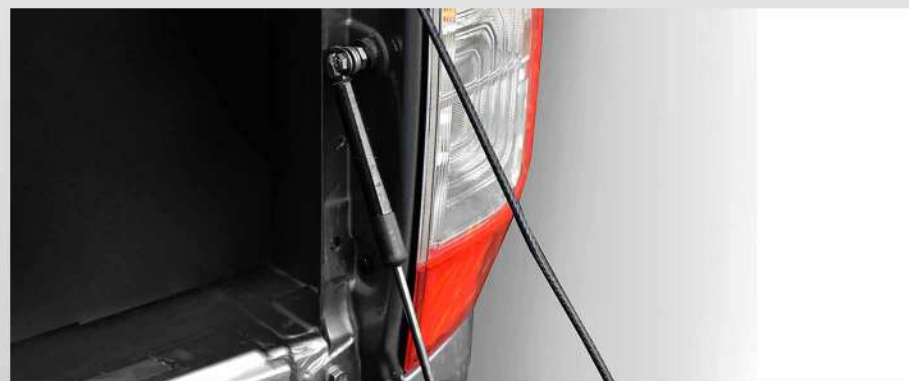

- Very popular with dog owners
- Features an ultra-firm cushioned underside
- The BedRug liner is durable and practical
- Stain resilient closed cell foam is jet washable
- BedRug is a rugged, hard wearing bed protection product that's designed to last

CHEQUER BED LINER

- Alloy chequer plate finish
- ABS side sections
- Alloy tailgate board
- Compatible with NP300 load system
- Compatible with truck top canopies

The chequer plate load bed liner will work with your C-Channel load system (the tie down rails) and offers an extremely robust base to your truck bed.

TAILGATE DAMPER

- Quality tailor made kit
- Offers immense safety benefits, preventing risk of injury from uncontrolled drop of tailgate, particularly if children are ever in the vicinity of the tailgate.

- The tailgate can now be opened with just one hand, without it ever "slamming" down.
- Gives your pickup a real quality feel
- Low cost accessory with immense practical benefits

- Tailor made for the Nissan NP300 and look great
- Supplied as a pair
- Tough rubber surface for that extra grip
- Includes all of the required bolts and brackets for fitting
- Distinctive and practical styling

EXTERIOR ACCESSORIES

BONNET GUARD

Bonnet Guards protect the leading edge of the bonnet from expensive stone chips, whilst also deflecting bugs, stones, etc from your windscreen.

Our bonnet guards are manufactured from a tough, dark tinted acrylic that is available with or without the "Navara" Logo

WIND DEFLECTORS

These are specific to the new 2016 Nissan Navara 4dr Double Cab. These Wind Deflectors are functional while offering the Navara a stylish look. They assist with fresh air circulation, which both reduces window fogging during wet conditions and helps to reduce the build up of heat. They also deflect rain during summer, and are a practical addition to the truck.

ROOF BARS FOR TRUCK

Designed to fit across a truck tops roof rails, these roof bars are made from high grade lightweight aluminium with an inset rubber strip for added grip. Lock-on system ensures a secure and theft free fixing that is simple to install.

WOLF VERMONT WHEELS

The new Wolf Vermont Sport features a gloss black finish that has ten split spokes and a polished alloy rim/lip. The high quality, painted finish alloy spokes are clear coated and finish the wheel with a lustrous shine. These are a seriously stylish addition to any NP300 truck.

X-TREME WHEEL ARCHES

- 60-70mm tyre coverage
- 200mm deep
- Quality stainless steel bolts
- Quality ABS moulded
- Supplied as a set of 4

- Use factory holes for installation
- Provides an excellent finishing touch to the Navara NP300
- Retains the original factory mud-flaps
- Does NOT fit cars with AdBlue filler on RHS

INTERIOR ACCESSORIES

FRONT SEAT COVER SET

- Tailor made for the NP300 front seats
- Waterproof, tough and durable
- A must if you want to protect your seats
- Supplied as a pair with separate head rest covers
- Superb, quality fit

These covers are waterproof and ideal for saving your car seats not just from wear and tear, but also from oil, grease, drink, food stains, dog hairs and general grime.

REAR SEAT COVER SET

This cover is tailored specifically to the NP300's rear seating and has elasticated hems around the seat squab. There are also elasticated straps with click-shut buckles underneath to keep the cover properly in place so they are easy to fit and remove. This seat cover offers a quality fit and individual covers for the headrests are included.

TAILORED MAT SET

- New for the latest Nissan Navara NP300
- 5 piece tailored rubber mats
- Anti-slip spikes to the underside prevent movement
- Durable, hard wearing finish

Tailored waterproof mats made from a tough durable PVC that will not curl or crack. These mats are a tailored fit for the NP300 and will keep the truck cab floors protected from dirt, keeping it cleaner for longer.

TRAY TYPE TAILORED MATS

- Lipped design to retain and fully protect from dirt
- Waterproof finish
- Durable hard wearing material
- Specific fitment to the Nissan NP300
- Drivers side heel pad

These tailored fit and robust floor trays are specific to the Nissan NP300 and supplied as a full set in a dark charcoal finish to complement the interior of the NP300. These are a must for those who want ultimate protection to the truck cab floors.
