

TRI-PROJECTOR LED HEADLIGHTS

- Make your Ranger stand out with our Bugatti Style Tri-Projector LED Head Lights.
- With sweeping indicator function and sweeping white-blue-white DRL function, featuring H7 and H11 powerful LEDs.
- In both dipped and main beam, the light output from these headlights far exceeds that of the O.E. headlights on a Ranger.
- These are the best Predator branded lights that we have on offer to give any Ranger a wonderful driving experience and performance.
